

New Product Release

Dana 60/40 Differential Cover Stainless Steel Bolt Kits available for immediate delivery

ARP - The Industry Leader in Performance Fasteners has just released two new Dana 60/40 Differential Cover Stainless Steel bolt kits. These bolts are rated at 180,000 psi tensile strength which is substantially stronger than grade 8 hardware. The high strength Stainless Steel material is resistant to rust and corrosion and polished to a high luster finish. Available in 12-Point and Hex head and packaged in ten-piece packs.

Part No.	Application
450-2701	Dana 60/40 Differential Cover Stainless Steel Bolt Kit 12-Point
450-2702	Dana 60/40 Differential Cover Stainless Steel Bolt Kit Hex
