New Product Release

Hyundai 2.0L (G4KF) Stainless Steel Valve Cover Bolt Kit available for immediate delivery **Part No. 428-7501**

ARP - The World Leader in Fastener Technology has just released a new Stainless Steel 12-Point valve cover bolt kit for Hyundai 2.0L (G4KF) applications. These bolts are rated at 180,000 psi tensile strength which is substantially stronger than grade 8 hardware and packaged in eighteen-piece packs to accommodate the 2.0L (G4KF) engines. ARP's premium grade Stainless Steel material is impervious to rust and corrosion and polished to a high luster finish. Washers are included.

ARP products are available worldwide through local distributors
